Proposed In-Town Trail Route

Welcome to
MINGO

DOWNTOWN

1. Use the streetscape images in your packet to check out some opportunities for changes to the downtown.

With an "X", mark which of the streetscape concepts appeals to you the most?

- Option A
- Option B

What concerns do you have about changes to the downtown?

2. What streetscape components do you most want to see in your downtown?

- Bump-outs
- Rain Gardens
- Permeable Paving
- Pedestrian-Scale Lighting
- Street Trees
- Other _____

3. What do you love about your downtown?

4. What is missing from your downtown?

TRAIL HEAD/PARKING

5. For many visitors to Mingo, their experience of your community starts at the trail head. Enhancing this location could have great impact in encouraging further exploration of Mingo. On kiosk#2 you will find concepts for changes to this space. Before you see those images stand at the trail and look into the downtown and to the new mural. What do you want visitors to feel or experience about Mingo as they pass this entrance into your community?

CHICHAQUA VALLEY TRAIL

6. How could the trail be better enhanced to meet your needs?

7. Are there views or amenities along the trail that you want to highlight? Circle those locations on your map.

Are there sites that you would buffer? Put an "X" on those locations or add comments here

8. There is limited access to the trail on the east side of Mingo. Mark with an "X", which of the proposed access concepts would you be comfortable using?

- Option A
- Option B
- Option C

Are there additional locations where you see the opportunity to access the trail? Mark them with a letter "A" on your map or add comments below.

9. Check out the proposed in-town trail route. What experiences or conditions would you like an in-town trail to have?

HWY 117 GREEN SPACE

10. Welcome to Mingo! What is your first impression of your community?

What do you want the first impression to be?

11. If this green space was to become a park what amenities would you like it to have?

12. Please share your thoughts about the Sculptural Sign.

CONNECTIONS/SIDEWALKS

13. If sidewalks were implemented along Main Street, how would those changes impact you and where you walk to?

14. Which of the sidewalk scenarios appeal to you most?

- Scenario A
- Scenario B

What concerns do you have?

15. What other concerns or goals do you have for your community's transportation system?
