"[At the wellness center] we "[Suicide Hill] is just normally a giant—well, "[The trail] goes all the "Well, there [are] a just play basketball or lift in the winter it's a hill that usually goes all the way from Latimer, and lot of recreational weights or something." way down, just flattens out at the bottom." you can go clear to Shell opportunities. Rock on the trail, but This bike trail has parts of it are not well "You go to the gone a long ways developed yet." "I usually walk to the pool to linking things different stores "When you...drive down during the summer—walk to go to." and stuff, shop 2nd Street, you [don't] or ride my bike." around [on the "My nephews go out with their "But at night need to go to northeast main square]." bikes....We go to accompany lowa to see the color I don't like them because they can't go "Pieces [of sidewalk] because there [are] to walk by alone, you know. So it is very fun, are missing [along beautiful trees." myself." "If you go to the fair," very nice because you entertain Highway 3]." there [are] a lot of yourself. Sometimes you have a "[Pedestrian access weird sidewalks." lot of stress and this is a way to "By and large, to Shopko] is the Youth distract yourself, but summer is I think the city most important only one season so you need to does a pretty thing they can fix in "I'm not comfortable with my kids taking their bikes to take advantage of it." good job with town." the middle school because they have to go back in the snow removal." **Senior & Mobility** cemetery, and you know what? That would be the best "...[M]y idea would be that if "It would be nice if there were a place to nab kids because nobody can see them." **Impaired** you could count on a taxi or bike path from the swimming "Yes, there are many people who something that could be a pool to downtown." LA LUZ can't count on an automobile. For mode of public transportation HISPANA many it's not because they don't "[Suicide Hill] is well where Latinos wouldn't have [a car], it's because they known. Those [who] live have to drive. That would be don't know how to drive." here know that's where "It's so hard to cross [at First Avenue and something really nice." you go to sled. It's fun." Highway 3]. I mean, even when you're trying to pull out onto Highway 3 in your "When I have walked, and the sun shines on vehicle, that's very difficult, and so is [the "It's scary walking at me, I say, 'I want some shade,' but then I arrive intersection of Highways 65 and 3]." "The cemetery definitely **Hispanic Adults** night. We always walk at the traffic light and start to walk [south] and needs lighting. It's kind but it's very dark." there are trees and a nice breeze." of creepy." **Parents** "Sometimes, the big kids are by "...[W]e like to go on the bike "At 5:00 am I will not use the trail whatsoever "[Harriman Park] is [them]selves, and they are walking [trail] and we go places and because there's no lighting, and at the same time... pretty busy park with on the street and sometimes they sometimes we make races at mid-afternoon there's no shade. They took all picnics and fishing." think of the car crash, you know?" "If you do go down [to Southside] with my uncle." "People don't stop for the the trees down to build it. There's absolutely no at school time, you've got to be pedestrians or the cyclists [at the shade whatsoever." careful because, unfortunately, the trail crossing] on 65, and there's "If you're not familiar kids don't always pay attention no crosswalk there either." "I feel kind of bad for with the signage "There's a baseball either when they cross the street." LA LUZ "...[I]n front of the "A lot of people run in the people that need to and...where the trail field and people the cemetery. That's stop [at the crossing by old co-op, in front HISPANA goes, where the road go sledding there probably one of the the school]—the cars. of Dollar General...I is, it can be really because it's really "We walk up to nicer places. It's shaded think the sidewalks I'm really scared." confusing [at the fast because there's the Windsor. and it has good roads." are terrible." intersection of Olive usually a lot of ice I have to walk Avenue, the trail, and there." "I always use [the uptown. I walk the railroad line]." trail] when I go "Another place to work, which is "I don't feel **Hispanic Youth** walking." we go ride our over by Fareway particularly safe on "Harriman Park mopeds is out by across from City that mile and a half TREE POINT is notorious for Omnium. There's Hall. We walk a lot [of the trail] that's flooding." a little loop back of places. We go along the highway." in there..." to the library." **Steering Committee**
