**Number of those in attendance: 7**

**Names of those in attendance:** Donnis Borcharding, Newton Grotzinger, Dyanne Pralle, Susan Wulf, Paul Flint, Brook Boehmler, Sally Van Wert, and Jeff Jensen (Trees Forever) and Eric Doll and Sam Thompson with Jeffrey L Bruce & Company

---

## **Meeting Summary:**

The community open house to reveal the boards and take feedback from viewers was held during SummerFest at Band Shell Park from noon to 6:00 p.m. The committee erected a tent and set up some tables so that several of the boards could be displayed. The location was fantastic as it was right “in the middle of the action” where community members could pass through and view the display boards and ask questions yet far enough away that the band was not too loud to actually talk to people.

Eric Doll and Sam Thompson with Jeffrey L Bruce & Company attended as did Jeff Jensen with Trees Forever. Various committee members also attended throughout the day steering SummerFest goers to the display boards and soliciting feedback.

Boards or projects that received quite a bit of feedback include the following:

- Proposed South Rail Line Park by existing Public Works building
- The proposed dog park at the trailhead of the Rolling Prairie Trail
- Entryway signs
- Downtown improvements, especially the intersections

The next meeting of the Hampton Visioning Committee will be on Wed. Sept 21<sup>st</sup> at the United Methodist Church at 5:00 p.m. Committee members are encouraged to attend as this will be the feasibility study meeting where the committee will receive and go through the feasibility report prepared by Jeffrey L Bruce & Company.

## **Next meetings**

- Feasibility Study meeting – Wed. September 21<sup>st</sup>, 5:00 p.m. location United Methodist Church
