

LEGEND

- Existing Trail
- - - Proposed Trail Extension
- - - Proposed Safe School Route to School
- - - Proposed Downtown Street Beautification

A) BOEHNER PARK

Malvern is a very active and involved community. The community members have accomplished several projects within the city to enhance way-finding, signage, and aesthetics, and to create an inviting downtown atmosphere. Malvern utilized city surveys, a transportation inventory, goal setting, focus group meetings, and visioning committee meetings to prioritize its goals for Malvern. Many of the primary concerns of the community focused around pedestrian safety, connections to the Wabash Trace Trail, park improvements, and enhancements to downtown Malvern.

B) DOWNTOWN BEAUTIFICATION

The visioning committee, along with other members of the community, identified the priorities in this Concept Plan. The design team will address the following:

C) SAFE ROUTE TO SCHOOL

The visioning committee, along with other members of the community, identified the priorities in this Concept Plan. The design team will address the following:

D) FAIRGROUNDS TRAIL EXTEN.

Malvern has a strong branding and identity through existing materials in the community. The community takes pride in the level of services and amenities it provides to residents and visitors. Enhancing this vision and elevating these experiences are key in the success of this concept plan.

E) T & N DOG PARK

Malvern has a strong branding and identity through existing materials in the community. The community takes pride in the level of services and amenities it provides to residents and visitors. Enhancing this vision and elevating these experiences are key in the success of this concept plan.
