

**Lost Lakes Park**  
 Lost Lakes Park is situated in northwest Polk City in a quiet residential area. To best cater to the needs of the neighborhood, the park has been designed to welcome children of all ages and abilities, featuring inclusive infrastructure such as an ADA parking lot, inclusive playground, and a splash pad. Additionally, the park features specific activity areas, such as a ping-pong table, two tetherball poles, and a gaga ball pit.

Finally, while the park has several designated program areas, there is plenty of room for passive recreation. The space is filled with native plantings, broad shade trees, multiple seating areas, and plenty of lawn space to enjoy. Lost Lakes Park has something for everyone in the community to enjoy, and brings many new uses to a previously undeveloped open space.
