Recruiting in each demographic profile

- Terri will make an announcement at Boost Club
- Kristen will ask her husband to make an announcement at the Fire Meeting
- Lynsi will update Chamber of Commerce
- Kristen will make an announcement at the Utility Board meeting.
- Lynsi will make an announcement at the First Friday get together

In addition to the general recruiting ideas, the group made a list of people in each demographic group that they thought would be interested in attending. A committee member was assigned to contact the people on the list. Committee members will let Kristen know who has confirmed that they will attend. Starting one week ahead of the TAB workshop, Kristen will let Leslie know counts for each group.
