Actives

"I would like to see a bike path that is more around the town so you don't have to go through every single street."

Parents

"I think it's scary to walk on James because our house is right there [James Street] and people fly. People go so fast."

"The school needs to look at a new dropoff/pickup."

Youth

"The sidewalk is so tiny when you walk to school."

Individual's concerns about aspects of Walcott's transportation system in and around the community
