

Proposed Enhancements

Proposed enhancements include new sidewalks, ADA detectable warning tactile paving, highly-visible crosswalks, street trees, pocket park and new street lighting.

Existing Conditions

Proposed Enhancements

Proposed enhancements for a pocket park to be located on North Adams Street with vegetation, outdoor seating, art work and decorative paving.

Existing Conditions

Proposed Enhancements

Proposed enhancements include a mid-block ADA ramp to street level and highly-visible crosswalk. Street-tree pits could include shrubs or perennial plantings.
